Videojournalist: Freelance (*January 2006-present*)

Producing, writing, researching, shooting, and editing news pieces and documentaries

- I have taken four trips to the Middle East, where I covered the Iraqi refugee crisis for **ABC World News Tonight**, **France 24**, **Democracy Now**, and **Current TV**. While in Syria, I also served as a consultant to **CBS Evening News**. I recently returned from Lebanon, where I was field producing for a documentary film.

Associate Producer: Democracy Now! (*November 2005-August 2007*)

- Shooting news events on location
- Production during each day's live news broadcast
- Researching guests and show topics
- Editing visual material for each day's program
- Creating on-air graphics with Photoshop
- Monitoring Reuters news feeds, booking insert studios

Videography/Editing Teacher: Gujarat, India (*March 2005-May 2005*)

- Taught video production to four members of a women's empowerment NGO
- Documented the lives of marginalized lower-caste and indigenous populations
-

Video Editor: International Film and Video (*January 2004-June 2004*)

Produced and edited a feature documentary about "Semester at Sea"

- Included production work in ten different countries, on topics such as the townships of South Africa, life in Castro's Cuba, and the Movement for Landless People in Bahia, Brazil.
